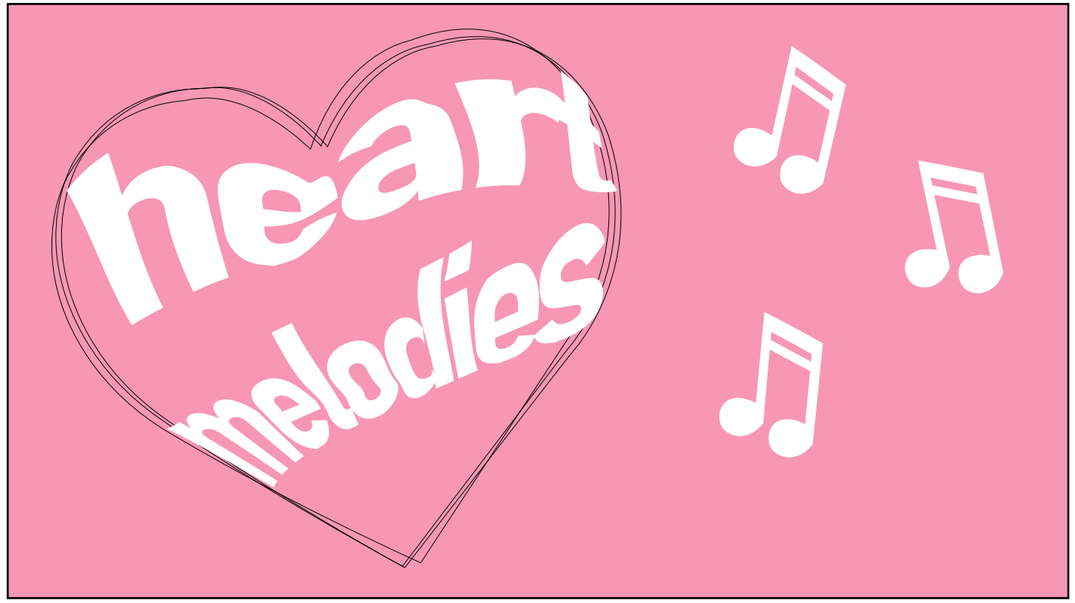
"BRING" comes into the frame from the top, "ME" comes into the frame via the bottom "ALL" pops up and stretches tall before reducing back to normal and "OF YOUR" comes in from the side.

"DREAMS" fades in and out like blinking stars

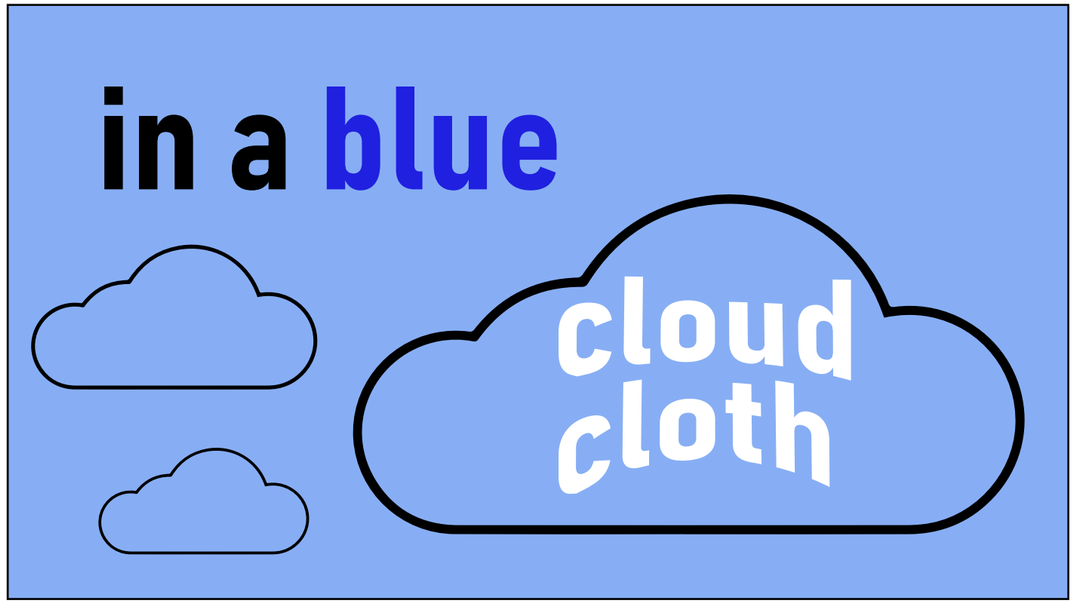
"YOU" appears laying on dreamers as if somoene is sleeping; stars twinkle

"BRING ME" pop up, "ALL" stretches down, "YOUR" comes in from side



"HEART MELODIES" will appear in the shape of a heart as a slight hmm plays in the background; music notes animate from side to side

"THAT I MAY" slides into frame and sits above the word "WRAP" as it animates its wrap

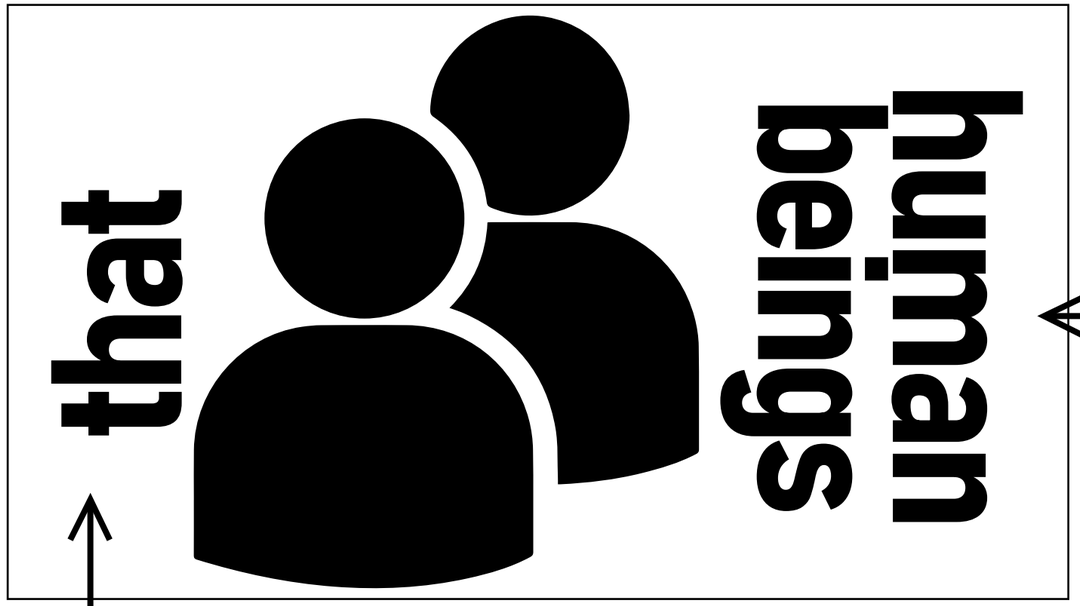


"IN A BLUE" (word fades to blue as it is said); clouds float by as the word cloud appears and perhaps a cloth goes over the cloud; "CLOUD CLOTH" text-path?

"AWAY" comes in from the left side and stops at the right, it appears as though it is blowing through the wind; 'TOO" is italic, "ROUGH" is textured and it all appears in the shape of two fingers

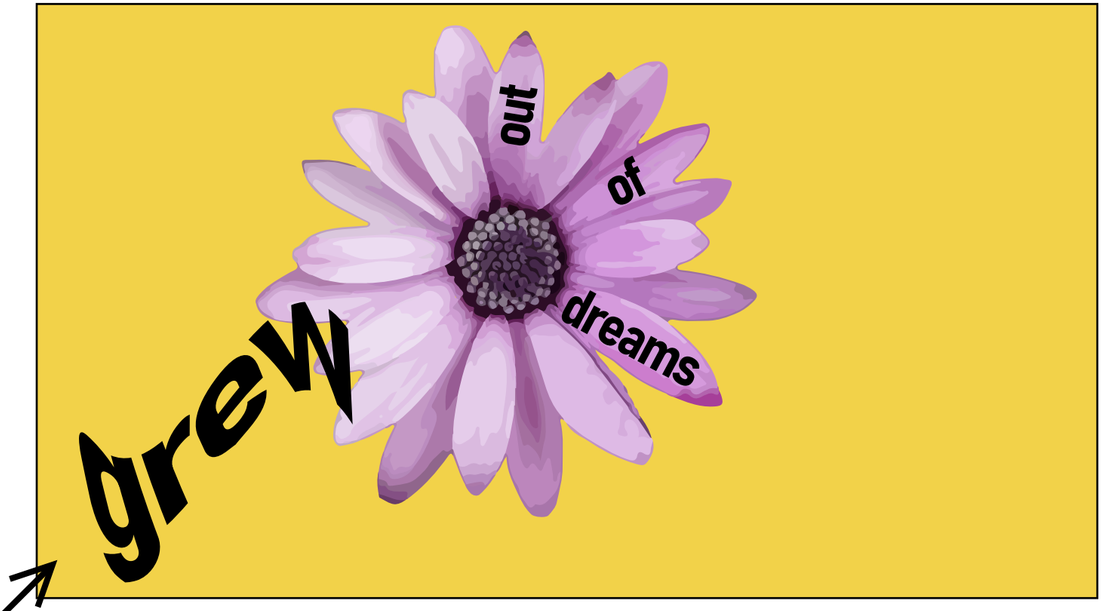
'OF THE WORLD" appears in the shape of a world OR the world is an image itself which rotates

the word 'PROGRESS' types out slowly to showcase the progress, hehe

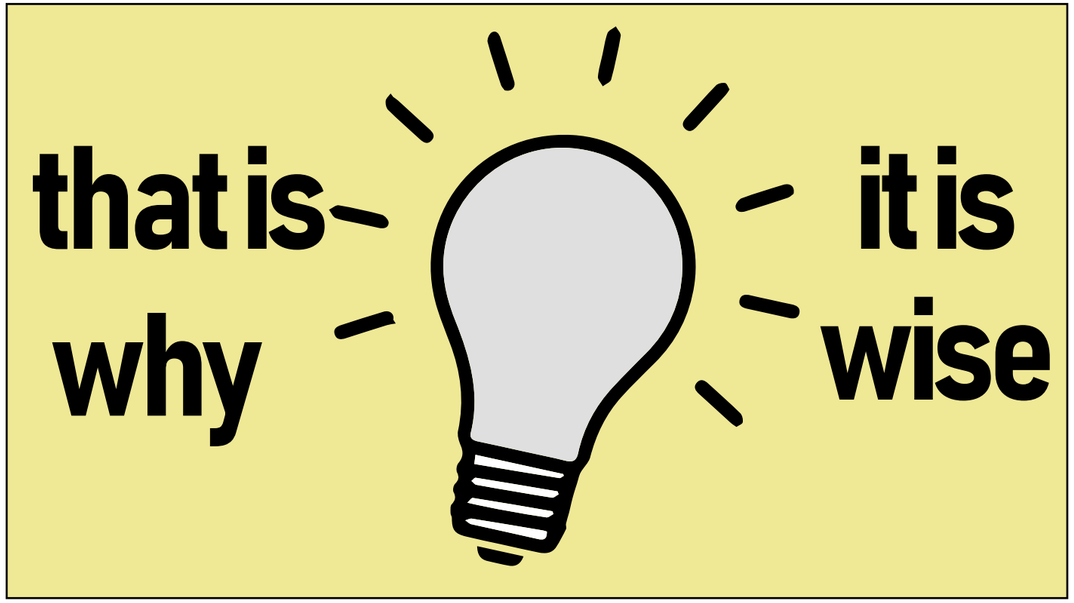


humans murmur in the background softly;

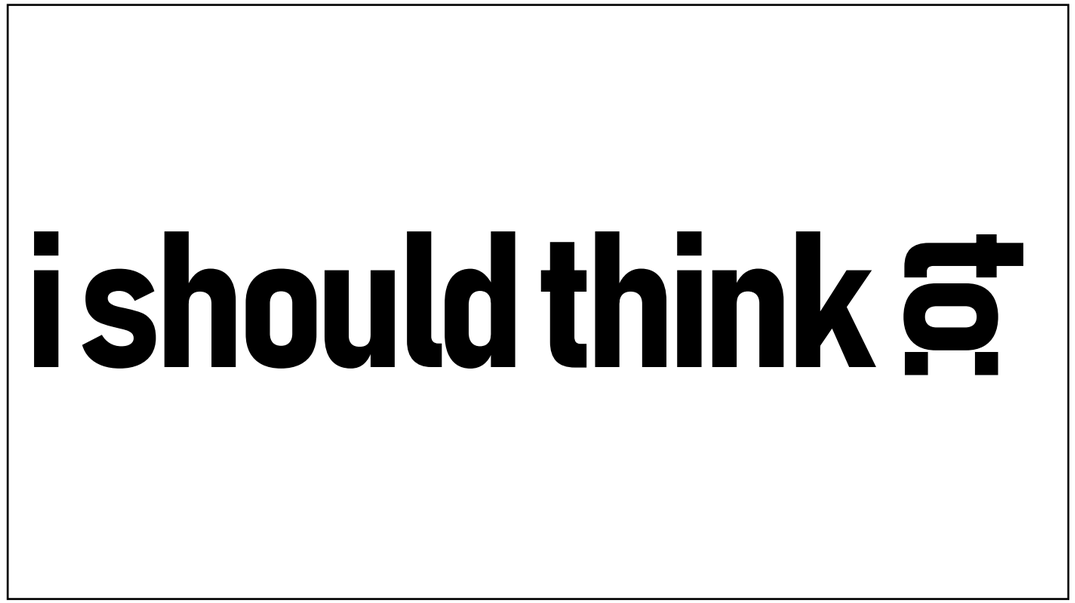
'HAVE' comes in from the top, 'MADE' comes in from the bottom; all the other words simply appear on screen; the earth rotates and crumbles



'GREW' comes out from the bottom left corner to illustrate growing, and 'OUT OF DREAMS' pops up to mimic petals growing out of a stem.



'THAT IS' pops into frame; 'WHY' stretches out long to both sides; the light bulb flickers a few times in the background; 'IT IS WISE' pops up on the screen



all the words pop up as the author says them and the frame slides over to the next frame

"FAST" has blurred edges and comes in from the left to showcase its fastness, 'HOLD' is seen hanging on to the word 'fast'; 'TO' simply comes into frame

"DREAMS" fades in and out like blinking stars

all the words pop up as the author speaks; 'IF' should enlongate and be in italic; 'dreams' will expand over the screen

'DIE' appears on screen, gets striked-through and then the words crack and fall apart

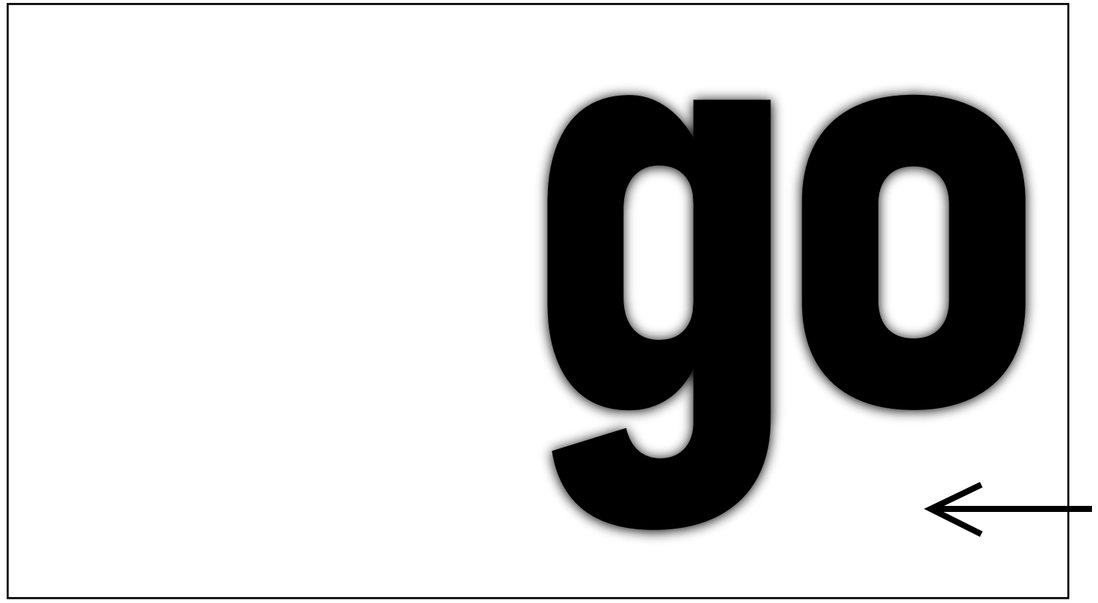
'BROKEN WINGED' will appear on the wing of the bird and slowly flap to showcase that it is broken

'THAT CANNOT' pops up on the screen as shown above; 'FLY' starts jumping up and down then jumps off 'that' to show that it cannot actually fly

"FAST" has blurred edges and comes in from the right to showcase its fastness, 'HOLD' is seen hanging on to the word 'fast'; 'TO' simply comes into frame

"DREAMS" fades in and out like blinking stars

'FOR WHEN' comes in from the bottom; 'DREAMS' stretches across the screen



'GO' blows in from the right-side and fades out;

'LIFE' appears on screen; and it gets zoomed in on to showcase the words in the next frame

the frame zooms out so the words get smaller and smaller; the background will be cracked

frozen starts off black but slowly turns to white as snow falls onto it; snow is falling in the bg
